From

The Secretary to the Hon'ble the Resident in Mysore.

To

The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

Bangalore, the 7th March 1944.

SUPPLY OF PLYWOOD FOR DEFENCE SERVICES.

I am directed to refer to your letter No.Pol.1402, dated the 11th January 1944.

2. The Government of India observe that the statement made by Messrs.United Timber Corporation in their letter dated the 22nd November 1943 to the Government of Mysore that they can manage to get large quantities of plywood from the bazaar appears open to correction, for from one of the periodical returns received in their Supply Department it is found that Messrs.United Timber Corporation are obtaining their supplies from Indian factories which are also supplying plywood direct to the Supply Department for Defence requirements. The Government of India add that since the Government of Mysore have carried out a thorough investigation (which they much appreciate) and are satisfied that Messrs.United Timber Corporation hold no stocks of plywood at present, no further action need be taken in the matter; the Supply Department do not require this or any other firm in the State to lay down stocks for supply to the Defence Services.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.
